

# TUTORBUDDI

EDUCATIONAL FLASHCARDS

## Our flashcards are available in two convenient sizes:

- **Pocket size** (7x10cm): Perfect for parents who want a compact, travel-friendly option to keep little ones learning on the go. This size is similar to normal playing cards.
- **Jumbo size** (10x14cm): Ideal for teachers and group settings, where larger cards make it easier for everyone to see and participate in lessons.

This versatility makes the flashcards suitable for both home use and classroom teaching.
